### **16<sup>th</sup> All India Inter Agricultural Universities Sports and Games Meet 2015-16**

The All India Inter Agricultural Universities Sports and Games Meet is sponsored by ICAR as a platform to exhibit the sports talents among the youth of Agricultural Universities of India. The five days sports fest will attract around 2500 talented sports persons from different State Agricultural Universities / Central Agricultural Universities / Deemed Agricultural Universities of our country. The 16<sup>th</sup> edition of All India Inter Agricultural Universities Games and Sports is being organized by Tamil Nadu Agricultural University, Coimbatore, Tamil Nadu from 22<sup>nd</sup> to 26<sup>th</sup> February 2016.

#### **The Host: Tamil Nadu Agricultural University**

Tamil Nadu Agricultural University (TNAU) is a leading Agro technology provider of India and its graduates are recognized throughout the world. The Tamil Nadu Agricultural University had its genesis from establishment of an Agricultural School at Saidapet, Chennai, Tamil Nadu, India as early as 1868 which was later relocated at Coimbatore during 1906.

The university offers 13 undergraduate degree programmes, 33 Post graduate degree programmes and 26 doctoral programmes distributed in 14 constituent and 17 affiliated colleges all over Tamil Nadu. TNAU has 36 Research Centers for Agro technology development and 14 Farm Science Centers for outreach.

In 1920 it was affiliated to Madras University. TNAU assumed full responsibilities of Agricultural Education and Research and supported the State Agricultural Department by delivering research products. Till 1946, the Agricultural College and Research Institute, Coimbatore was the only Institute for Agricultural Education for the whole of South India. In 1958, it was recognized as a Post-graduate Centre leading to Masters and Doctoral degrees. The Agricultural College and Research Institute, Madurai was established in 1965. These two colleges formed the nucleus of the Tamil Nadu Agricultural University while it was established in 1971.

In 1972, separate degree programmes of B.Sc. (Horticulture) and B.E.(Agriculture) were started. In 1979, a separate Faculty of Horticulture was established. In 1980, B.Sc.(Home Science) programme was started at Madurai campus. The third Agricultural College was started at Killikulam in 1984 and the fourth at Kumulur (Trichy) in 1989 and later shifted to Navalur Kuttappattu (Trichy) in 1992 which is named as Anbil Dharmalingam Agricultural College and Research Institute. During 1985, B.Sc.(Forestry) programme was started at Coimbatore. Presently the B.Sc.(Horticulture) degree programme is being offered at Horticultural College and Research Institute, Periyakulam and B.Sc.(Forestry) degree programme at Forest College and Research Institute, Mettupalayam. In line with technological changes, the B.E.(Agriculture) is offered as B.Tech.(Agricultural Engineering) from the Academic year 2002-2003 at Agricultural Engineering College and Research Institute, Kumulur, Trichy. Apart from these academic institutes, the University now has research programmes in more than 32 stations, spread over in Tamil Nadu with more than 1200 scientists and teaching faculty.

The global technological developments have led to introduction of new courses. Introduction of B.Tech.(Food Process Engineering) from the academic year 1998–99, B.Tech. (Biotechnology) and B.Tech.(Horticulture) from the academic year 2002–2003 as self-supporting program has created avenues for budgetary independence. A new degree program B.Tech. (Energy and Environmental Engineering) was started during 2004 and B.Tech. (Bioinformatics) during 2006. B.Tech. (Agricultural Information Technology), B.S. (Agribusiness Management) were started in 2007 and B.Sc. (Sericulture) programme was started in 2011.
