**TNAU organized AgriTech Manifest '22**

An inaugural function of “AgriTech Manifest '22”, **National Level Technical Symposium on "Build Back Wiser-Engineer the Future Agriculture"** was organized by the Agricultural Engineering College and Research Institute, Tamil Nadu Agricultural University, Coimbatore on December 22, 2022. Around 250 experts in the field of Engineering including Research Scholars, Faculty Scientists, Entrepreneurs, Industrialists, Students and Farmers were participated in the event.

This event provided a forum for participants to exchange ideas and hold fruitful discussions in the context of ensuring development in how agriculture is perceived and handled, thereby making a breakthrough in agricultural engineering research. The symposium was programmed in four thematic areas, comprising Soil and Water Conservation Engineering, Farm Machinery and Power Engineering, Food Process Engineering, and Renewable Energy Engineering. Around 200 research papers have been received for presentation in the symposium in both online and offline streams.

Honorable Vice Chancellor, Dr. V. Geethalakshmi, TNAU delivered the presidential address and Dr. A. Raviraj, Dean (Engg.) delivered the felicitation address. The event was honoured by Mr. E. Rajagopal, CEO and Co-founder of M/S LEGGO Mobility Pvt.Ltd., Chennai. He inspired students by sharing his professional experience and shared about his vision on “zero emission zero cancellation-2030”. The souvenir of symposium was released by Vice-chancellor & Chief Guest. The student organizing secretary Ms. M. Devidharshini offered the welcome address during the inaugural session and vote of thanks was proposed by the student organizing secretary Mr. A. Bharath. The event was meticulously planned in the presence of Dr. Balaji Kannan, Organizing Secretary, AgriTech Manifest '22, and students of B.Tech (Agricultural Engineering) in successful manner.
