The Editor,

Sir,

I request that the following message may kindly be published in your esteemed daily:

**TNAU conducts Three Days Training on Entrepreneurship Development Program Under the Pradhan Mantri Formalization of Micro Food Processing Enterprises Scheme**

A three-day training program on Entrepreneurship Development Program under the Pradhan Mantri Formalization of Micro Food Processing Enterprises (PMFME) Scheme was inaugurated on 20.6.2022, by the Department of Food Process Engineering at Agricultural Engineering College and Research Institute, Coimbatore.

Dr. M. Balakrishnan, Professor and Head, Department of Food Process Engineering welcomed the trainees represented by the Department of Agricultural Marketing and Agri Business, Chennai from all over Tamil Nadu.

Dr. A. Raviraj, Dean, Agricultural Engineering College and Research Institute, Coimbatore, addressed the key features of the project and the importance of “One District One Product”. Dr. K. Somasundaram, Director, Directorate of Agricultural Business Development, Tamil Nadu Agricultural University emphasized the components of entrepreneurial development and its importance to the country. Dr. P. Balaji, Associate Professor, Department of Agricultural Resource Management, proposed vote of thanks.

Public Relations Officer
