**TNAU organized Hands on training in  
Data Analysis and Visualization with R Programming**

The Department of Plant Molecular Biology and Bioinformatics, Centre for Plant Molecular Biology and Biotechnology organized four days “Hands on training in **Data Analysis and Visualization with R Programming**” from **15<sup>th</sup> July to 18<sup>th</sup> July 2025** at CPMB&B, TNAU, Coimbatore. Participants include faculty, UG, PG and PhD students from various Institutes, industries viz., Department of Molecular Oncology, King Faisal Specialist Hospital & Research Centre, Riyadh, Saudi Arabia, Gojan School of Business and Technology, Chennai, Advanta Enterprises Limited, R&D station, Kallakal, Telangana, King Institute Of Preventive Medicine, Chennai, Periyar University, students and staff from TNAU.

The training program started with the inaugural session on 15<sup>th</sup> July. Dean (Horticulture), Director (CPMB&B), Heads of Department of Plant Molecular Biology and Bioinformatics, Department of Plant Biotechnology, faculty from CPMB&B graced the occasion. The training program commenced with an inaugural function, beginning with a welcome address by Dr.L.Arul, Professor and Head, Department of Plant Molecular Biology and Bioinformatics. He emphasized the significance of data analysis and R programming in research. This was followed by self-introductions from the participants. Dr.K.Venkatesan, Dean, Horticulture, felicitated the gathering. He highlighted the importance of data analysis using R, and discussed the pivotal role of data analysis. Dr.E.Koiladevi, Professor and Head felicitated the gathering. The event concluded with a vote of thanks by Dr. N. Saranya, Asst Professor, DPMB&B.
