1. INTRODUCTION

1.1 One Stop Centres (OSC) are intended to support women affected by violence, in private and public spaces, within the family, community and at the workplace. Women facing physical, sexual, emotional, psychological and economic abuse, irrespective of age, class, caste, education status, marital status, race and culture will be facilitated with support and redressal. Aggrieved women facing any kind of violence due to attempted sexual harassment, sexual assault, domestic violence, trafficking, honour related crimes, acid attacks or witch-hunting who have reached out or been referred to the OSC will be provided with specialized services.

1.2 Under this Scheme, in the first phase, one OSC will initially be established in each State/UT to facilitate access to an integrated range of services including medical, legal, and psychological support.

1.3 The OSC will be integrated with 181 and other existing helplines. Women affected by violence and in need of redressal services could be referred to OSC through these helplines¹.

2. PURPOSE OF THE IMPLEMENTATION GUIDELINES

They are intended to serve as a reference manual for officials at the National and State/ Union Territory (UT) levels for policy guidance and monitoring. The guidelines list the services to be provided under the Scheme, steps and processes/procedures for implementation. The guidelines also highlight the roles and responsibilities of various line departments. It provides indicative monitoring and reporting formats to be used at different levels. The guidelines are not exhaustive and the feedback received from States/UTs from time to time will be incorporated as per requirements.

¹ Presently Ministry of Home Affairs is in the process of developing an Emergency Response System which will work as a single emergency number for the purposes of ensuring women's safety and this will be eventually integrated with OSC.

3. OBJECTIVES

The objectives of the Scheme are:

State Governments/UTs will involve agencies, civil society groups, community based groups, institutions or resource persons for imparting education of the services mentioned above and for training the staff. These will be selected by the States/UTs in consultation with MC based on the accessibility and availability of these organizations at the field level. A Project Management Unit (PMU) will be set up which is to act as the Secretariat to the National Steering and Monitoring Committee.

12.2 At the State level, there will be a State Steering and Monitoring Committee under the chairpersonship of the Principal Secretary, WCD with representatives from the Department of Home Affairs, Health and Family Welfare, Social Justice, SLSA and Civil Society members. **STANDARD OPERATING PROCEDURE FOR DAY TO DAY ADMINISTRATIONS
AND OPERATION OF THE ONE STOP CENTRE**

Steps for Initial Handholding of women coming to One Stop Centre:

- a. Greet the survivor by name; use her preferred name.
- b. Make her your central focus.
- c. Introduce yourself to the survivor and tell her your role, e.g. Centre Administrator, Para-medic
- d. Offer her water, put her at ease.
- e. Ensure privacy for history taking, examination and counseling.
- f. Aim for an attitude of respect, professionalism within the boundaries of your survivor's culture.
- g. Have a calm demeanor. A frightened survivor will want to be in the company of people who are not frightened.
- h. Be unhurried, give time.
- i. Maintain eye contact. Be empathetic and non-judgmental as your survivor recounts her experiences.
- j. Aim to limit the number of care givers attending to the survivor: 'one-on-one' care works best in sexual assault cases.
- k. Ask the survivor if she wants to have a specific person present for support.
- l. Ask the survivor if she has any questions.

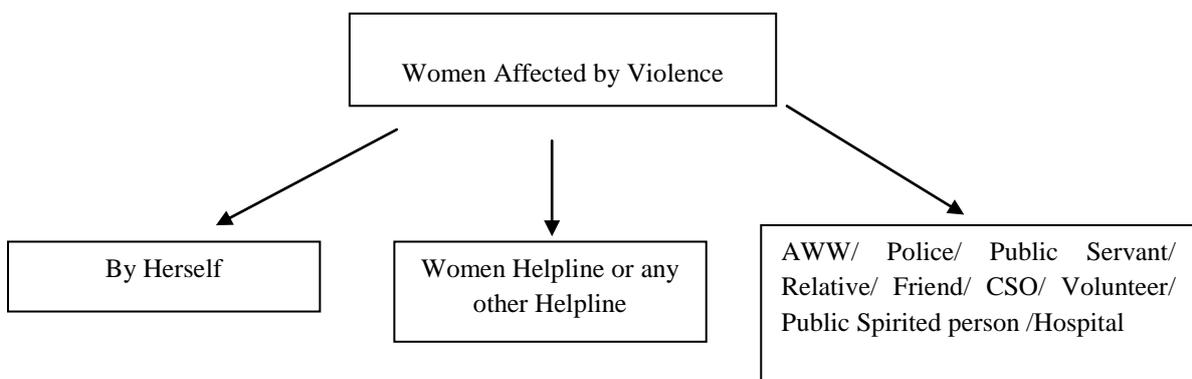

Case Specific Steps:

The first point of contact for women approaching One Stop Centre would be the Centre Administrator or Case Worker (authorized by her in this behalf) who will take following steps:

- a. She would listen to her grievance; document the case history and ask the IT person to register the case in the online/web-based case management to generate a UID. She would be responsible for overall supervision of each case.
- b. As soon as the complaint is registered a text message (SMS/Internet) would be sent to the PO/DPO/CDPO/ SHO/ DM/ SP/ DYSP/CMO of the district/area as required.

- c. Based on an assessment of the needs of the women affected by violence as expressed by her, the Centre Administrator will refer her to the Counsellor or the Para legal worker, to the hospital, or to the Police Facilitation Person where she is desirous of registering an FIR.
- d. In case the woman was provided temporary shelter at Centre, she will be provided with a Basic Kit having soap, comb, shampoo, hair oil, sanitary pad, tooth brush, tooth paste, diapers (in case of infants).
- e. The next functionary interacting with the woman will document the additional information received, the remedy/support sought by the woman, and action taken into the online case management system. This would be done through the password-protected access and adding to the UID generated case documentation made by the IT person. For instance, if the aggrieved woman is referred to the Police Facilitation Officer for registration of FIR, she will do the needful and document the progress and any additional details in the case management system. This will ensure that the aggrieved does not have to repeat/narrate her story/incident each time she interacts with a new functionary.

B. Response

 - i. Maintaining confidentiality
 - ii. Ensuring independent decision-making

- iii. Ensuring privacy
- iv. Obtaining informed consent from the aggrieved
- c. Ensure proper medical assistance for the aggrieved
- d. Ensure proper collection of evidence through strict compliance of protocols framed by police and Ministry of Health and Family Affairs.
- e. Best interest of the aggrieved women will have precedent over anything else.

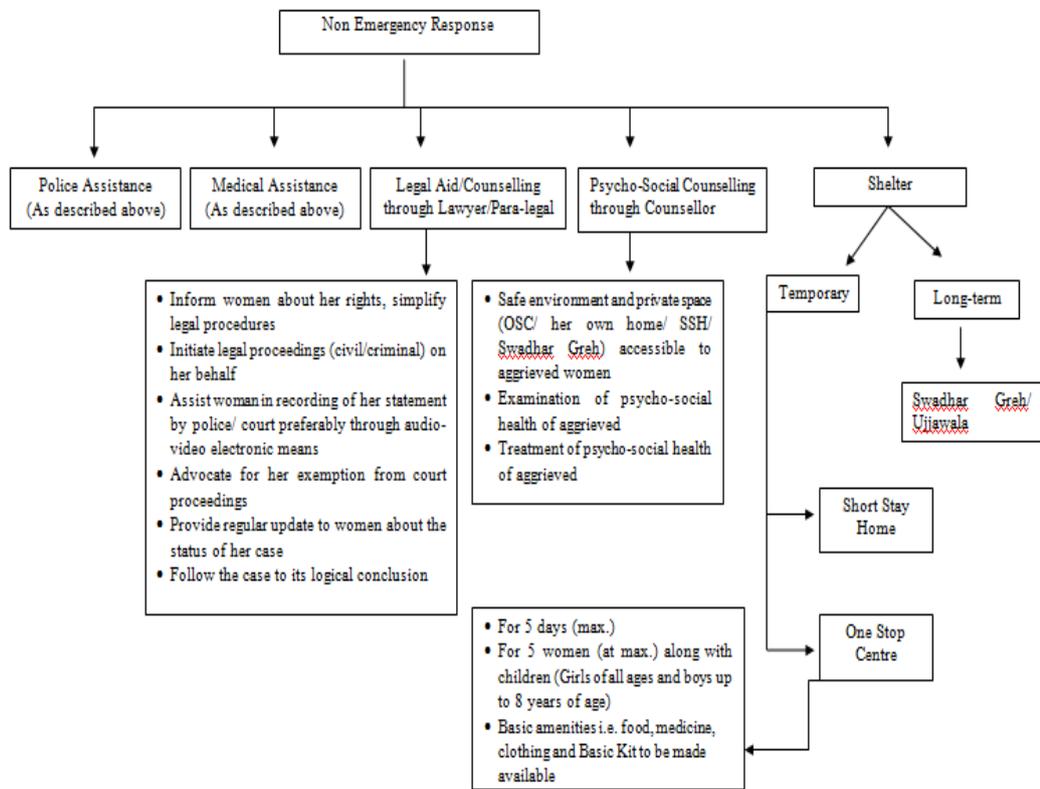

(i) Emergency Response

The Centre Administrator will respond in the following manner:

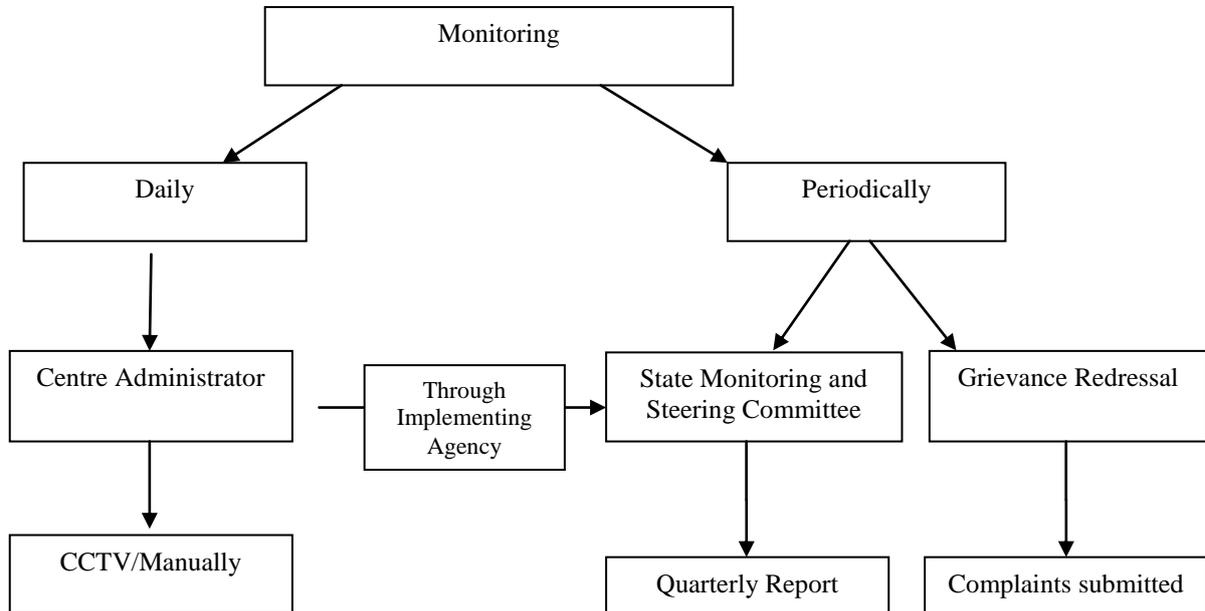

(ii) Non- Emergency Response
