The Editor,  
Sir,

I request that the following message may kindly be published in your esteemed daily:

**Tamil Nadu Agricultural University conducts Training on Value added products from Millets**

A two-days training programme on “Value added products from Millets” will be held in the Tamil Nadu Agricultural University (TNAU), on **01.06.2022** and **02.06.2022**.

Millets play a major role in health for improving the nutritional status of the human beings. However it is very sparingly used in our daily diet. Millets are more nutritious and the value added products from millets have more health benefits. With an aim to develop skills to entrepreneurs this training has been organized. The following items will be dealt in the training programme:

- ❖ Traditional foods
- ❖ Pasta foods
- ❖ Bakery products
- ❖ Instant food mixes

**Place of Training:** Centre for Post Harvest Technology,  
Agricultural Engineering College & Research Institute,  
TamilNadu Agricultural University,  
Coimbatore-641003

**Bus stop :** Gate no.07 (Opposite gate to Botanical garden),TNAU via  
Marudhamalai road,Coimbatore.

Interested persons are requested to pay a training fee of **Rs.1500/- (Rupees one thousand and five hundred only) +18 % GST** on the 1st day of the training programme.

**For further details, please contact:**
