To
The Editor,
Sir,

Date: 24.06.2022

I request that the following message may kindly be published in your esteemed daily:

TNAU recounts climate change via AGRONOVA'22

Agronova' 22, an event to create awareness about agriculture will be held on **July 04 & 05, 2022** at Tamil Nadu Agricultural University (TNAU), Coimbatore.

The theme is "**Climate change as a perk for agriculture**" and the tagline is "Outsmarting the climate barriers". Agronova serves as a platform to stage talents and also to learn about agriculture. On stage and off stage events are held separately for school and college students. Events for schools to be held on July 04, 2022 are Quiz (Tamil & English), Elocution (Tamil), Poetry (Tamil & English), Models, Collage, Pencil sketch, Kirukkals, Origami and Varthai vilayattu. The following day July 05, 2022 is scheduled for college events such as Memes, Quiz, Mime, Shipwreck, Debate, Poetry (English & Tamil), Poster presentation, claycraft, Artsy lens, Treasure hunt, Pot painting and Minute to fame.

As a part of this, the brochure of Agronova was released by Dr. N. Venkatesa Palanichamy, Dean (Agriculture) on 21st June, 2022 at TNAU, Coimbatore. TNAU invites the participants for free registration through www.agronova2k22.com. The registration has started on 17th June and closes by 28th June, 2022. TNAU also provides an opportunity for the public to visit the displayed models and the depicted innovations in agriculture portrayed in the lawn exhibition.
